DESCRIPTION

The suites sit within a modern two storey building of stone construction, under a pitched tiled roof. Suite A lies on the right-hand side of the ground floor, and benefits from full height double glazed windows, which provides excellent levels of natural daylight. Suite D, the smaller of the suites, is situated at first floor level on the left-hand side of the building and incorporates Velux windows.

Internally, Suite A has been newly refurbished to a high standard to provide modern open plan accommodation. Suite D contains a modern open plan office with a meeting room. Both suites benefit from a demised tea prep area and designated male and female WC's. The specification includes carpet tiled flooring, a suspended ceiling grid incorporating comfort cooling and LED lighting. Full network cabling including power, data points and IT is throughout both suites. Access into the suites is taken via a communal front entrance, however Suite A benefits from a secondary access directly into the suite through a side door. The building features an accessible WC, communal shower facilities and a secure entry system allowing 24-hour access.

ACCOMMODATION

We have calculated the approximate net internal floor areas in accordance with the RICS Code of Measuring Practice (Sixth Edition)

Suite A	133.7sq.m	1,439 sq.ft
Suite D	86.81 sq.m	937 sq.ft

CAR PARKING

There are 4 dedicated car parking spaces with Suite A, one of which includes an EV charging point. Suite D has 2 dedicated car parking spaces. The car park is located to the front of the property. 2 additional parking permits could potentially be available from Aberdeen City Council for each suite.

*These space plans are for indicative purposes only.
Fit out arrangements can be flexible to suit an occupier's requirements.*
