Location

The property is location to the south of Mains of Glack approx. 1km to the west of Daviot and accessed directly from the B9001, which runs north from Inverurie town centre approx. 6km to the south.

The warehouse is situated within an established farm setting and is currently in commercial use and despite being in a rural location benefits from good road access. The location is shown on the plan above which has been provided for indicative purposes only.

Description

The property comprises a steel portal frame storage warehouse, with rendered block work and single skin metal clad elevations. There is a single skin cement tiled roof incorporating natural roof lights. The property benefits from 6m eaves and a metal sliding metal access door 6m (w) x 5.5m (h). The warehouse has 3 phase power, concrete floor and suspended LED light fittings. Office and welfare facilities are provided in 3 No portacabins adjacent, two of which have been fitted out as offices, the other, kitchen and WC's. The portacabins are available separately if required.

There is a small area of concrete yard to the side elevation and an area of hardcore external storage to the rear of the premises, all of which are accessed via a shared drive and circulation area.

Accommodation

The subjects have been measured in accordance with the RICS Code of Measuring Practice (Sixth Edition) and the following Gross Internal Areas derived:

Warehouse	674.35 sq.m	7,259 sq.ft
2 x Portacabin Offices	53.60 sq.m	577 sq.ft
Total	727.95 sq.m	7,836 sq.ft

There is a small additional store available extending to 116.9 sq.m (1,258 sq.ft)
