Location

Conveniently located at the entrance to Inverness Campus, the Life Sciences Innovation Centre (LSIC) provides modern laboratory and office accommodation for life sciences businesses to locate alongside key research departments and post-graduates of the University of the Highlands and Islands (UHI). The University's Institute of Health Research and Innovation focuses on two key disciplines - Medical Technology and Genetics and Immunology with cross cutting themes of One Health, Cancer and Schizophrenia.

Inverness Campus is a high-quality environment designed to support businesses to work collaboratively with like-minded organisations. Enterprises benefit from close proximity to academic and research organisations like UHI and Scotland's Rural College, and NHS Highland clinicians at the National Treatment Centre - Highland with specialisms in orthopaedics and ophthalmology. UHI and SRUC offer research and innovation services and access to state of the art scientific equipment. Global Energy are opening their new HQ directly adjacent to the building.

Highlands and Islands Enterprise (HIE) may be able to offer a range of support to grow your business.
